

Custom Classes

Custom Classes – Basic Information Tab

The screenshot shows a Windows-style dialog box titled "EntitySpaces 2010 - Persistence Layer and Business Objects for Mi...". The dialog has a tabbed interface with the "Basic Information" tab selected. The "About" label is at the top left of the tab. The form contains several input fields and a list box. The "Select the Output Path" field is a text box with a browse button (three dots) to its right, containing the path "C:\svnroot\Code\ES2010\Samples\SqlCeDemo\Custom\". The "Namespace" field is a text box containing "BusinessObjects". The "Select a Database" field is a dropdown menu showing "ForeignKeyTest.sdf". The "Tables or Views" field is a dropdown menu showing "Tables". The "Select Tables" section contains a list box with a blue background, listing the following tables: Customer, CustomerGroup, Employee, EmployeeTerritory, Group, Order, OrderItem, Product, ReferredEmployee, Territory, and TerritoryEx. At the bottom right of the dialog are "Cancel" and "Ok" buttons.

Generated Master – Basic Information Tab

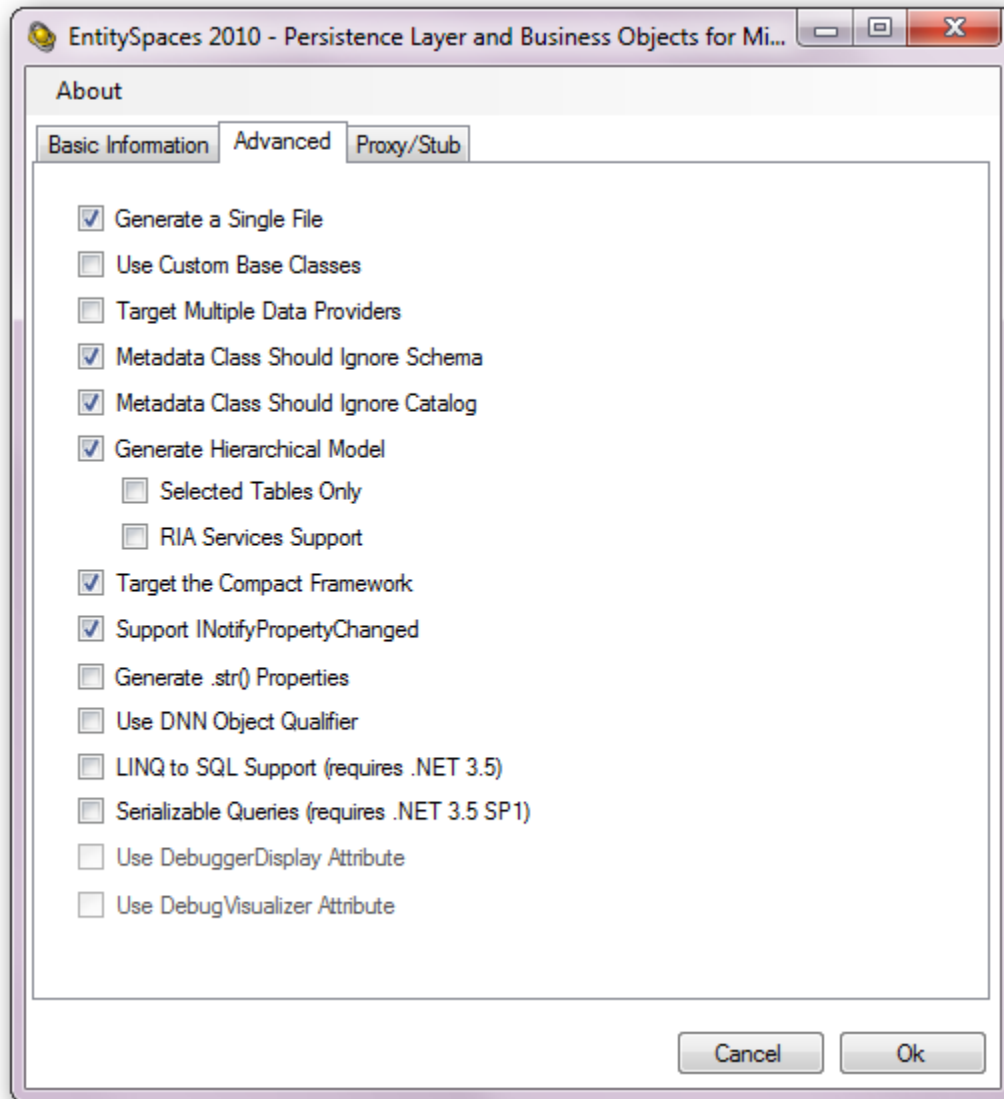

The screenshot shows a Windows-style dialog box titled "EntitySpaces 2010 - Persistence Layer and Business Objects for Mi...". The dialog has a tabbed interface with three tabs: "Basic Information" (selected), "Advanced", and "Proxy/Stub".

Under the "Basic Information" tab, the following fields and controls are visible:

- Select the Output Path:** A text box containing "C:\svnroot\Code\ES2010\Samples\SqlCeDemo\Generated\" with a browse button (three dots) to its right.
- Namespace:** A text box containing "BusinessObjects".
- Connection Name:** An empty text box.
- Select a Database:** A dropdown menu showing "ForeignKeyTest.sdf".
- Tables or Views:** A dropdown menu showing "Tables".
- Select Tables:** A list box containing the following items: Customer, CustomerGroup, Employee, Employee Territory, Group, Order, OrderItem, Product, ReferredEmployee, Territory, and TerritoryEx. The entire list box has a blue background.

At the bottom right of the dialog are two buttons: "Cancel" and "Ok".

Generated Master – Advanced Tab

There was no need to use the Proxy/Stub tab for the simple Windows Forms sample.
